MAGNOLIA EDUCATIONAL & RESEARCH FOUNDATION

CONFLICT OF INTEREST CODE

I. ADOPTION

In compliance with the Political Reform Act of 1974, California Government Code Section 87100, et seq., Magnolia Educational & Research Foundation hereby adopts this Conflict of Interest Code ("Code"), which shall apply to all governing board members, candidates for member of the governing board, and all other designated employees of Magnolia Educational & Research Foundation ("Corporation"), as specifically required by California Government Code Section 87300. As the Corporation has agreed to comply with Government Code Section 1090, in addition to the Political Reform Act, this Code also conforms with the requirements of Section 1090.

II. DEFINITION OF TERMS

As applicable to a California public charter school, the definitions contained in the Political Reform Act of 1974, the regulations of the Fair Political Practices Commission, specifically Title 2, California Code of Regulations Section 18730, and any amendments or modifications to the Act and regulations are incorporated by reference to this Code.

III. DESIGNATED EMPLOYEES

Employees of this Corporation, including governing board members and candidates for election and/or appointment to the governing board, who hold positions that involve the making or participation in the making, of decisions that may foreseeably have a material effect on any financial interest, shall be "designated employees." The designated positions are listed in "Exhibit A" attached to this policy and incorporated by reference herein.

IV. STATEMENT OF ECONOMIC INTERESTS: FILING

Each designated employee, including governing board members and candidates for election and/or appointment to the governing board, shall file a Statement of Economic Interest ("Statement") at the time and manner prescribed below, disclosing reportable investments, interests in real property, business positions, and income required to be reported under the category or categories to which the employee's position is assigned in "Exhibit A."

An investment, interest in real property or income shall be reportable, if the business entity in which the investment is held, the interest in real property, the business position, or source of income may foreseeably be affected materially by a decision made or participated in by the designated employee by virtue of his or her position. The specific disclosure responsibilities assigned to each position are set forth in "Exhibit B."

Statements Filed With the Corporation. All Statements shall be supplied by the Corporation. All Statements shall be filed with the Corporation. The Corporation's filing officer shall make and

retain a copy of the Statement and forward the original to Fair Political Practices Commission.

V. DISQUALIFICATION

No designated employee shall make, participate in making, or try to use his/her official position to influence any Corporation decision which he/she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, on the official or a member of his or her immediate family.

VI. MANNER OF DISQUALIFICATION

A. Non-Governing Board Member Designated Employees

When a non-Governing Board member designated employee determines that he/she should not make a decision because of a disqualifying interest, he/she should submit a written disclosure of the disqualifying interest to his/her immediate supervisor. The supervisor shall immediately reassign the matter to another employee and shall forward the disclosure notice to the Chief Executive Officer (CEO), who shall record the employee's disqualification. In the case of a designated employee who is head of an agency, this determination and disclosure shall be made in writing to his/her appointing authority.

B. Governing Board Member Designated Employees

Where a Governing Board member has a personal, material financial interest in a contract, the Board must either: (1) not enter into the contract, as Government Code section 1090 prevents the entire board from voting on the contract; or (2) prior to the Board of Director's discussion of and/or taking any action on the contract at issue, the Board member must resign from the Board of Directors. The resignation shall be made part of the Board's official record. Abstention and disclosure will not rescue a vote.
